Excellence in Action

Excellence in Action

## Kent State Stark Services

Kent State University at Stark's Office of Career Services, located in the Campus Center, is dedicated to providing students with:

- Guidance and advice in selecting a major or area of study that is best suited for them
- Various education opportunities, giving them the skill sets and tools needed to begin a career
- A vital link to internships and employment opportunities
- Resources, both online and in-person, to assist students in preparing for their careers

Career events and workshops include:

- Student Leadership Academy
- Résumé and Cover Letter Writing Workshops
- Mock Interviews
- Internship Information Sessions
- Graduate School Workshops
- Individual Career Advising
- Stark County Collegiate Job Fair

## Kent State Services

Stark Campus students have access to a broader set of resources available through Kent State University.

Students may access Kent State University's Career Services information portal by logging into **Flashline** and clicking on the **Student Career Path** tab or by visiting: [www.kent.edu/career/](http://www.kent.edu/career/)

Here, students have the opportunity to:

- Access "MyPlan" - a major and career guidance software system
- Build a "Collage" career portfolio
- Learn what they can do with various majors
- View career videos and profiles
- Access a career resource library
- Read vocational biographies - success stories of real people, working real jobs, telling it like it is!
- Choose a career path
- Gain tips and guidance for writing résumés and interviewing
- Be linked with local internships and networking opportunities
